## Zuma at Hotel Weisses Rössl

Since 2019, the Zuma Restaurant is part of the Hotel Weisses Rössl during the winter months. The luxury version of Japanese Izakaya cuisine was created by Rainer Becker. The three components are the show kitchen with a selection of contemporary dishes, the sushi bar, and the Robata grill.

## Culinary delights in the Harisch Hotels

We recommend to reserve early

The Harisch Hotels include several restaurants and localities in Kitzbühel. From genuine Italian pasta, typical Tyrolean dishes to Japanese specialities, we offer a wide range of culinary highlights.
